MYTH 7

THERE WILL ALWAYS BE CONFLICT, TERRORISM AND GREED, CORRUPTION AND PSYCHOPATHS

THIS IS REALLY AN EXCUSE, NOT A MYTH. WE ARE HUMANS, WE WILL ALWAYS NEED PEACE KEEPERS AND TOTAL DISARMAMENT IS NOT FEASIBLE. ON THE OTHER HAND **SUPPLYING WEAPONS TO PEOPLE WITH UNADDRESSED GRIEVANCES MAKES VIOLENCE INEVITABLE**

FACT: More and more people alive today have known nothing but war. Living with **unending horror rots ethical values, breeds cruelty and beastliness.** Sexual assault and rape become weapons: women and girls their forgotten victims.

FACT: By continuing to treat armaments as a legitimate business like any other - by selling arms indiscriminately to whoever will pay and allowing arms fairs like Eurosatory - we are promoting death, degradation and the destruction of the very values we are supposed to hold most precious.

THE GREEDY PSYCHOPATHS AREN'T JUST FOUND IN DESERTS AND JUNGLES.
